Skill & Abilities

Design :

Adobe Photoshop CS5

CorelDRAW X5

Programming :

LISP

C/C++/C#

Java

Web Development :

HTML

CSS

PHP

Javascript

Database Management :

MySQL

PostgreSQL

Mobile & Game Development :

Android

Unity3D

JSP

Servlet

Software Engineering : StarUML, Ms. Visio

Project Management : Ms. Project

Operating System : Windows, Linux

Organization

Period	Organization
2013 – now	IRK (Computational Science and Engineering Laboratory ITB) – Laboratory Assistant I take part in this lab to broaden my knowledge on computer science from other assistants.
2012 – now	HMIF ITB (Informatics Student Association) – Staff of Kinship Division I have enhanced my communication and time management skill through rapid programs held by the division to maintain the kinship in HMIF. I also tend to participate in making publications to gain more in design taste.

2011 – 2012	Genshiken ITB (The Society for the Study of Modern Visual Culture) – Staff of Illustration Division In this division, I develop my drawing and design skill and got the taste of working with other illustrators, programmers, analysts, writer, etc. through artbook/game projects.
-------------	--

Experience

Year	Month	Description
